PATIENT JOURNEY GUIDE: WHAT TO DO NEXT?

*Your doctor has recommended that you use
Exact Radiology Clinics for your procedure.*

WHAT TO DO NEXT

STEP 1:

FIND YOUR PREFERRED CLINIC:

Select your clinic of choice from the list or visit our website
www.exactradiology.com.au

STEP 2:

NO APPOINTMENT REQUIRED, ARRIVE ANYTIME:

You do not need an appointment for Chiropractic X-rays. If you are planning for a late afternoon arrival, please check our clinic hours and ensure you arrive at least 45 minutes before closing time to allow enough time for your procedure and to complete the necessary registration forms. Please ensure you bring your referral and any relevant previous imaging / reports.

STEP 3:

AFTER YOUR PROCEDURE:

Once your procedure is complete, our staff will advise you if you are free to leave the clinic or if you need to see the Receptionist prior to departure. Our Radiologist will send a report to your Chiropractor. Your Chiropractor will then review the report and discuss this with you directly.

Thank you for trusting Exact Radiology Clinics with your examination.
